

# Welcome To Lively Root

We are delighted you have grown your Lively Root plant family. If you have any problems, need plant advice, or just want to have a great plant conversation, email us any time at **[support@livelyroot.com](mailto:support@livelyroot.com)**. We are incredibly thankful to have the opportunity to share our love of plants with you.

(Care Card on reverse!) ↘

# Peperomia

*Peperomia species*

The Peperomia species are members of the black pepper family. Its beautiful variegated foliage has hints of red around the leaf edges to make it a stunner.

**Indoor plant**

70°–85°

**Outdoor plant**

55°–80°

## ✓ Success Tips

### Unwrapping your plant:

To help your plant receive the oxygen and water it needs, please remove the plant from its dirt bag. Do not repot for the first 30 days after it arrives to avoid transplant shock.

### Watering and drainage:

When watering your new plant, remove the grower pot from the eco pot or decorative container and place it over a sink. Allow the plant to drain fully before putting the grower pot back into the decorative container.

## ☼ Care

Easy to care for and great for beginners.

## ☀ Light

Enjoys medium to bright indirect light.

## 💧 Water

Allow the soil to dry out completely between waterings.

## 🐱 Pets

Pet friendly.

## Impress your friends with this cool fact

Peperomia, genus of the pepper family (Piperaceae), includes more than 1,000 species of tropical and subtropical fleshy herbs, annuals, and perennials.
