

Welcome To Lively Root

We are delighted you have grown your Lively Root plant family. If you have any problems, need plant advice, or just want to have a great plant conversation, email us any time at support@livelyroot.com. We are incredibly thankful to have the opportunity to share our love of plants with you.

(Care Card on reverse!) ↘

Rosemary

Rosmarinus officinalis

This plant has an amazing aromatic smell when you brush your hand across them. White or blue flowers can bloom on this herb, and it makes for a great ornamental piece that can be added to culinary dishes!

Indoor plant

65°–85°

Outdoor plant

50°–80°

✓ Success Tips

Unwrapping your plant:

To help your plant receive the oxygen and water it needs, please remove the plant from its dirt bag. There is a layer of moss next to the soil that can remain as a mulch, or you can choose to remove it.

Watering and drainage:

When watering your new plant, remove the grower pot from the container and place it over a sink. Allow the plant to drain fully before putting the grower pot back into the decorative container.

☰ Care

Easy for beginners! Keep air circulation to prevent mold and spritz occasionally.

💧 Water

Use filtered water and water enough that it flows through the drainage holes. Once fully drained, replace into container.

☀ Light

Full direct sun outside (6-8 hrs.)
Indoors bright direct sun.

🐱 Pets

Safe for pets.

Impress your friends with this cool fact

Rosemary not only attracts pollinators, but is deer resistant and is virtually disease and pest free!
